Penalties

We are required by law to charge applicable penalties. However, in select situations, we may be able to remove or reduce penalties. Visit IRS.gov/Penalties to learn more.

Failure to file (Internal Revenue Code 6651)

Action date	Months late	Unpaid amount	Penalty rate	Amount
12/15/2024	05	$7,985.00	5.00%	$1,996.25
			- Failure to pay reduced amount:	**199.62**
Total failure-to-file				**$1,796.63**

We assess a penalty for filing your return late for each month or part of a month the return is late, up to 25% of the amount required to be shown on the return. When a penalty for paying late applies for the same month, the amount of the penalty for filing late for that month is reduced by the amount of the penalty for paying late for that month.

Note: The penalty amount shown here may differ from the amount shown on this notice. The computation shown here may include late payment penalty on amounts due before the adjustment.

Failure to pay (Internal Revenue Code 6651)

We assess a penalty for each month or part of a month you don't pay the tax you owe by the due date and afterward, up to 25% of the tax shown on the return.

Date received	Months late	Unpaid amount	Penalty rate	Amount
07/15/2025	12	$7,985.00	0.50%	$479.10
Total failure to pay				**$479.10**

Interest (Internal Revenue Code Section 6601)

We are required by law to charge interest when you don't pay your liability on time. Unlike penalties, we cannot reduce or remove interest due to reasonable cause. Interest accumulates daily, so the longer you wait to pay, the more interest we add to your account. Visit IRS.gov/Interest for more information.

Taxpayer rights and sources for assistance

The Internal Revenue Code (IRC) gives taxpayers specific rights. The Taxpayer Bill of Rights groups these into 10 fundamental rights. See IRC Section 7803(a)(3). IRS employees are responsible for being familiar with and following these rights. For additional information about your taxpayer rights, please see the enclosed Publication 1, Your Rights as a Taxpayer, or visit IRS.gov/Taxpayer-Bill-Of-Rights.

Taxpayer Advocate Service

The Taxpayer Advocate Service (TAS) is an independent organization within the IRS that helps taxpayers and protects taxpayers' rights. TAS can offer you help if your tax problem is causing a financial difficulty, you've tried but been unable to resolve your issue with the IRS, or you believe an IRS system, process, or procedure isn't working as it should. If you qualify for TAS assistance, which is always free, TAS will do everything possible to help you. To learn more, visit TaxpayerAdvocate.IRS.gov or call 877-777-4778.

Tax professionals who are independent from the IRS may be able to help you.

Taxpayer rights and sources of assistance – **continued**

Low Income Taxpayer Clinics (LITCs) can represent low-income persons before the IRS or in court. LITCs can also help persons who speak English as a second language. Any services provided by an LITC must be for free or a small fee. To find an LITC near you:
