We're required to send a copy of this notice to both you and your spouse. Each copy contains the same information about your joint account. Please note: Only pay the amount due once.

If you have not paid the debt already, a federal tax lien has arisen as a claim against all your property. If you don't pay the amount due immediately or make payment arrangements, we can file a Notice of Federal Tax Lien (NFTL) publicly establishing our priority with your creditors or we may levy (seize your property) subject to any applicable Collection Due Process rights. If we file the NFTL, it may be difficult to sell or borrow against your property.

If you don't believe you owe or don't agree with our intent to file a NFTL, you have the right to request an appeal under the Collection Appeals Program before the NFTL is filed. If you want to file an appeal, call or send us a Collection Appeals Request (Form 9423). Call 833-678-7020 if you have any questions. For more information about your appeal rights, see Publication 1660 (Collection Appeal Rights).

Note: The CAP is different from the Collection Due Process (CDP) program. CAP addresses appeals when the Service communicates its intent to file an NFTL, while a CDP hearing is offered after the Service files an NFTL. For additional information, visit irs.gov/compliance/appeals.

Taxpayer Rights and Sources of Assistance

The Internal Revenue Code (IRC) gives taxpayers specific rights. The Taxpayer Bill of Rights groups these into 10 fundamental rights. See IRC Section 7803(a)(3). IRS employees are responsible for being familiar with and following these rights. For additional information about your taxpayer rights, please see the enclosed Publication 1, Your Rights as a Taxpayer, or visit irs.gov/taxpayer-bill-of-rights.

The Taxpayer Advocate Service (TAS) is an independent organization within the IRS that helps taxpayers and protects taxpayers' rights. TAS can offer you help if your tax problem is causing a financial difficulty, you've tried but been unable to resolve your issue with the IRS, or you believe an IRS system, process, or procedure isn't working as it should. If you qualify for TAS assistance, which is always free, TAS will do everything possible to help you. To learn more, visit taxpayeradvocate.irs.gov or call 877-777-4778.

Tax professionals who are independent from the IRS may be able to help you.

Low Income Taxpayer Clinics (LITCs) can represent low-income persons before the IRS or in court. LITCs can also help persons who speak English as a second language. Any services provided by an LTC must be for free or a small fee. To find an LTC near you:

- Go to taxpayeradvocate.irs.gov/litcmap;
- Download IRS Publication 4134, Low Income Taxpayer Clinic List, available at irs.gov/forms; or
- Call the IRS toll-free at 800-829-3676 and ask for a copy of Publication 4134.

State bar associations, state or local societies of accountants or enrolled agents, or other nonprofit tax professional organizations may also be able to provide referrals.

Interest

(Internal Revenue Code Section 6601)

We are required by law to charge interest when you don't pay your liability on time.

Unlike penalties, we cannot reduce or remove interest due to reasonable cause.

Interest accumulates daily, so the longer you wait to pay, the more interest we add to your account. Visit irs.gov/interest for more information.

Note: The interest amount in Billing Summary reflects accruals from your previous balance due notice, the amounts shown below are total interest charges.
