Options if you can't pay in full

Pay Over Time

Make arrangements to pay over an extended time. If you owe less than \$100,000, you can save time and money by visiting [IRS.gov/PaymentPlans](https://www.irs.gov/PaymentPlans) to apply for a payment plan. You can choose from a variety of plan options and get instant confirmation if you qualify.

Offer in Compromise (OIC)

An offer in compromise allows you to settle your tax debt for less than the full amount you owe. Use the OIC Pre-Qualifier tool at [IRS.gov/Offers](https://www.irs.gov/Offers) to see if you qualify, to calculate a preliminary offer amount, or to learn more about the program. Use of this tool does not guarantee offer acceptance.

Temporarily delay collection

If you're experiencing financial hardship, we may be able to temporarily delay collection until your situation improves. Visit [IRS.gov/Delay](https://www.irs.gov/Delay) to learn more.

Penalties

We are required by law to charge applicable penalties. However, in select situations, we may be able to remove or reduce penalties. Visit [IRS.gov/Penalties](https://www.irs.gov/Penalties) to learn more.

Failure to pay (Internal Revenue Code 6651)

Total failure to pay	\$434.81
-----------------------------	-----------------

We assess a 1/2% monthly penalty for not paying the tax you owe by the due date. We base the monthly penalty for paying late on the net unpaid tax at the beginning of each penalty month following the payment due date for that tax. This penalty applies even if you filed the return on time. We charge the penalty for each month or part of a month the payment is late; however, the penalty can't be more than 25% in total.

- The due date for payment of the tax shown on a return generally is the return due date, without regard to extensions.
- The due date for paying increases in tax is within 21 days of the date of our notice demanding payment (10 business days if the amount in the notice is \$100,000 or more).

Note: The penalty amount shown here may differ from the amount shown on this notice. The computation shown here may include late payment penalty on amounts due before the adjustment.

Interest (Internal Revenue Code 6601)

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly.

The interest amount shown here may differ from the amount shown on this notice. The computation shown here may include interest charges on amounts due before the adjustment. The table below shows the rates used to calculate the interest on your unpaid amount due. For the detailed calculation of your interest, call 800-829-8374.

Total interest	\$1,803.01
Period	Interest rate
April 1, 2022 through June 30, 2022	4%
July 1, 2022 through September 30, 2022	5%
October 1, 2022 through December 31, 2022	6%
January 1, 2023 through September 30, 2023	7%
